We, the staff and personnel of the Medical Emergency Center, Chernivtsi, want to thank you dearly for all you have done for us and especially for your generous donation of medical equipment and supplies we received as non financial support in December 2016. We understand how much of your valuable time you have spent on us. And knowing how busy you are, we truly appreciate your assistance.

We have distributed all the equipment to the departments of our Medical Emergency Center according to the designated purpose of the donation to ensure it will be used by our specialists in the best possible way. Now, with your help, our work will become much efficient.

We assure you that the medical donation will be used for the benefit of our inpatients on a commercial-interests free basis only.

Again, thank you so much for your contribution and help. We sincerely wish you all the best in your future activities.

Grateful to you,

Prof. O. S. Fedoruk, DM, Chernivtsi, Medical Emergency Center
